Important Update

The Mechanic and Related Committee will be re-convening on March 11-13, 2009 in Dallas Texas.

During that time your M&R Committee will be introducing themselves to Jack Kane the mediator who has been assigned our NMB case. They will also give Mr. Kane a briefing on these negotiations.

During this time period, we will also meet with AA Management along with the Mediator to set dates and locations for future meetings along with establishing a negotiation protocol.

The M&R Negotiating Committee recognizes these are difficult times and appreciate your support and patience as we work towards an agreement
